I want the Charity to treat all donations I have made for this tax year and the six years prior to the year of this declaration, and all donations I make from the date of this declaration until I notify the Charity otherwise, as Gift Aid Donations.

I understand that I must pay 25p United Kingdom income tax and/or capital gains tax for each £1 I have donated in the tax year. The Government will add an extra 3p, so the charity will receive 28p for each £1 donated under Gift Aid.
